Thank you again for choosing Country Paws Farm for your boarding needs. There are a few rules that we follow here at Country Paws Farm for the enjoyment and safety of all pets put in our care.

All boarders MUST be up to date on their vaccinations and proof must be kept on file here at Country Paws Farm. Including Bordetella!

All dogs must be spayed/neutered that stay here, because when they are not there is more behavior issues that can arise and for the safety of all our dogs this is a MUST!

All dogs unless otherwise explained will be on a monthly heartworm and flea protection.
